

**Collagraph – Collage, cast and create**  
**Please email to enquire about courses and print sessions**

**The plates are made on the first day. After they are dried and sealed they are ready for printing on the second day.**

2 day course 10am – 4pm Bring an apron, some textures e.g. fabric, textured paper and leather. Flexible textures work best.

£200 includes all materials

Collage a plate using textures to create an image. Use filler, carborundum and glue - ideal for foliage or landscapes. The sealed plates are printed on the second day using various techniques including coloured rubs and rolls. Fabric as well as paper can be printed on. A good all round course for all abilities.

Plates made with textures

The inked plate can be printed onto fabric or paper.
